2023 SPONSOR OPPORTUNITIES

**Presented by Florida Main Street &
Florida Trust for Historic Preservation**

www.preservationonmainstreet.com

**HOSTED BY OCALA MAIN STREET
July 19 – July 22, 2023**

An annual conference co-organized by the Florida Main Street and Florida Trust, Preservation on Main Street aims to bring together preservationists and Main Streets and illustrate that historic preservation and economic revitalization are interconnected.

Hosted in a different Main Street each year, Preservation on Main Street is a meeting point for small business owners, community leaders, architects, planners, scholars and the public to connect, exchange ideas, participate in educational sessions and workshops and enjoy special tours. Preservation on Main Street sessions offer continuing education credits.

Don't miss the opportunity to **highlight your business** and expand your market by networking with over 150 Florida Main Street executives and Florida Trust for Historic Preservation professionals (architects, nonprofit organizations, engineers, developers, city and county planners, contractors and students).

As a conference sponsor your investment will help efforts to preserve Florida's history and heritage in addition to equipping downtown revitalization professionals, boards of directors, municipal staff and other experts with the necessary tools to bring their organization and community to the next level.
